ABOUT THE COMPANY

SENSI Trading L.L.C., established in 2010 in Dubai, UAE, serves the growing real estate sector across the Gulf and Middle East regions. The company offers a diverse range of high-quality products, including tiles, stones, sanitaryware, bathroom accessories, and furniture; recomposed quartz, concrete panels, bespoke furniture, and various special materials.

SENSI is now expanding into full-scale design services, catering to both small and large scale commercial and residential projects. With this new direction, we aim to provide our clients with a seamless experience, from material selection to complete interior design solutions.
